A Section 504 Meeting has been scheduled for _____. The purpose of this meeting is to determine whether he/she is eligible for accommodations that will better insure his/her access to services, programs, and/or school activities.

The following concern(s) prompted this meeting:

Students are eligible for support under a 504 plan if they have a disability or handicap that **substantially limits one or more major life activities and impacts their ability to access the school program**. Section 504 is part of the Rehabilitation Act of 1973. This civil rights law guarantees that students with a qualifying disability are provided the same access (both physical and academic) to public school services, programs, and activities as non-disabled students. We will be reviewing the following information in order to determine if _____ is eligible for accommodations under Section 504. In the event he/she is eligible, a 504 Accommodation Plan will be created at this meeting and implemented immediately following the team's decisions.

You have the right to bring other individuals, at your discretion, to this conference. Please notify your student's School Administrator/504 Designee if you are in need of an interpreter or translator.

Enclosure: *Parents' Rights in Brief*

Sincerely,

School Administrator/504 Designee
