

PARADISE UNIFIED SCHOOL DISTRICT GOES GREEN

In the past, our schools sent home numerous flyers in students' backpacks. As part of our efforts to be more environmentally friendly and to embrace innovative technology, we have moved from paper to a digital flyer delivery.

With our Peachjar e-flyer program, the flyers are sent directly to parents' email inboxes as well as posted on school websites for easy access. All flyers may be accessed by clicking on the Peachjar link on each school's website.

Each year, our schools will save tons of paper and reduce copy costs by thousands of dollars. In addition, paperless delivery of school flyers removes a significant administrative burden from teachers, office staff and volunteers.

School and District approved e-flyers keep you informed about upcoming school activities, programs and events.

Beginning **January 9, 2017**, Paradise Unified School District launched a new electronic system for delivering communications such as school information, calendars, lunch menus, school newsletters and community activities. This service will be provided free to our schools and parents by a company called Peachjar.

The program delivers flyers electronically to families via email and school websites rather than having students carry paper flyers home in backpacks. Peachjar uses technology to reduce unnecessary use of paper and to save time and money, both for the district and for its community partners.

Parents/Guardians:

If we have your email address on file, no further action is required on your part. If you have not provided your email address to your school, please do so to avoid missing important information. Hard copies of all communications will be available in each school office for those families that do not have access to email.

To ensure smooth delivery of this communication, we suggest you add school@peachjar.com to your email contacts. When you receive your first eflyer, be sure to click "always display images."

Peachjar is used exclusively for distribution of school-approved flyers. Your email address will not be shared or used for any other purpose. Thank you for supporting our efforts to ensure parents are well informed about school programs, activities, and events.
