Paradise Unified School District REPORT TO PARENTS - THIRD GRADE

 Student:
 Student Name
 School:
 Year:
 2018-2019

 Teacher:
 Principal:
 Grade:
 3

Perm ID:

Birthdate: EXPLANATION OF MARKS

Performance Marks

- 4 Exceeding Standard: Student shows an in-depth understanding that goes beyond the grade level standard or instruction given.
- 3 Meeting Standard: Student consistently meets grade level standard and expectation during this reporting period.
- 2 Progressing Toward Standard: Student is progressing toward grade level standard and expectation during this reporting period.
- 1 Not Meeting Standard: Student is not meeting grade level standard and expectation during this reporting period.
- X Grade level performance standard was not assessed during this reporting period.

Check if Home Hospital ENGLISH LANGUAGE ARTS Check if Modified Curriculum Reading Fluency Reads grade level texts fluently Reading Literature Reads, comprehends, and analyzes grade level literature Reads, comprehends, and analyzes grade level informational text Reads, comprehends, and analyzes grade level informational texts Writing Narrative Text Informative Text Opinion Penmanship Language Uses correct grammar, punctuation, capitalization, and sentence structure Spells grade level words correctly Speaking and Listening Comprehension and Collaboration: effectively participates in discussions with a group Presentation of Knowledge and Ideas: plans and delivers an oral presentation MATHEMATICS Check if Modified Curriculum Operations and Algebraic Thinking Understands multiplication Understands division Understands/explains patterns Knows addition facts fluently Knows subtraction facts fluently Knows multiplication facts fluently Knows multiplication facts fluently Uses correct computation in mathematical reasoning to solve multi-step problems Number and Operations in Base Ten Understands multi-digit place values Performs addition/subtraction with multi-digit numbers Rounds whole numbers to nearest 10 or 100		Reporting Period	1	2	3

Operations and Algebraic Thinking Understands multiplication Understands division Understands/explains patterns Knows addition facts fluently Knows subtraction facts fluently Knows multiplication facts fluently Knows division facts fluently Uses correct computation in mathematical reasoning to solve multi-step problems Number and Operations in Base Ten Understands multi-digit place values Performs addition/subtraction with multi-digit numbers	MATHE	MATICS		l	
Understands multiplication Understands division Understands/explains patterns Knows addition facts fluently Knows subtraction facts fluently Knows multiplication facts fluently Knows division facts fluently Uses correct computation in mathematical reasoning to solve multi-step problems Number and Operations in Base Ten Understands multi-digit place values Performs addition/subtraction with multi-digit numbers	Check if Modified Curriculum				
Understands division Understands/explains patterns Knows addition facts fluently Knows subtraction facts fluently Knows multiplication facts fluently Knows division facts fluently Uses correct computation in mathematical reasoning to solve multi-step problems Number and Operations in Base Ten Understands multi-digit place values Performs addition/subtraction with multi-digit numbers	Operations and Algebraic Thinking	g		•	
Understands/explains patterns Knows addition facts fluently Knows subtraction facts fluently Knows multiplication facts fluently Knows division facts fluently Uses correct computation in mathematical reasoning to solve multi-step problems Number and Operations in Base Ten Understands multi-digit place values Performs addition/subtraction with multi-digit numbers	Understands multiplication				
Knows addition facts fluently Knows subtraction facts fluently Knows multiplication facts fluently Knows division facts fluently Uses correct computation in mathematical reasoning to solve multi-step problems Number and Operations in Base Ten Understands multi-digit place values Performs addition/subtraction with multi-digit numbers	Understands division				
Knows subtraction facts fluently Knows multiplication facts fluently Knows division facts fluently Uses correct computation in mathematical reasoning to solve multi-step problems Number and Operations in Base Ten Understands multi-digit place values Performs addition/subtraction with multi-digit numbers	Understands/explains patterns				
Knows multiplication facts fluently Knows division facts fluently Uses correct computation in mathematical reasoning to solve multi-step problems Number and Operations in Base Ten Understands multi-digit place values Performs addition/subtraction with multi-digit numbers	Knows addition facts fluently				
Knows division facts fluently Uses correct computation in mathematical reasoning to solve multi-step problems Number and Operations in Base Ten Understands multi-digit place values Performs addition/subtraction with multi-digit numbers	Knows subtraction facts fluently				
Uses correct computation in mathematical reasoning to solve multi-step problems Number and Operations in Base Ten Understands multi-digit place values Performs addition/subtraction with multi-digit numbers	Knows multiplication facts fluently				
Number and Operations in Base Ten Understands multi-digit place values Performs addition/subtraction with multi-digit numbers	Knows division facts fluently				
Understands multi-digit place values Performs addition/subtraction with multi-digit numbers	•	natical reasoning to			
Performs addition/subtraction with multi-digit numbers	Number and Operations in Base T	en			
9	Understands multi-digit place values				
Rounds whole numbers to nearest 10 or 100	Performs addition/subtraction with m	ulti-digit numbers			
1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1	Rounds whole numbers to nearest 1	0 or 100			

	Reporting Period	1	2	3
Number and Operations-Fractions				
Understands fractions as part of a w	hole number			
Measurement and Data				
Solves problems involving measuren volume, mass)	nent (time, length,			
Understands area and perimeter				
Uses graphs to interpret data				
Geometry				
Understands shapes and their attribu	ıtes			
NEXT GENERA	ATION SCIENCE			
Understands the concepts of units ta	ught			
HISTORY/SO	CIAL SCIENCE			
Understands the concepts of units ta	ught			
PHYSICAL	EDUCATION			
Actively engages and participates in	activities			
Demonstrates good sportsmanship				
VISUAL AND PE	RFORMING ARTS			
Actively engages and participates in Performing Arts activities	Visual and			

This report card reflects student progress toward mastery of the California Common Core State Standards. For a complete description of the standards, go to the California Department of Education at: http://www.cde.ca.gov/re/cc/ .
