

Certification of Provision of Standards-Aligned Instructional Materials

The local governing board of the Paradise Unified School District hereby certifies that as of this date, each pupil in the district in kindergarten through grade twelve has been provided with a standards-aligned textbook or basic instructional materials in each of the following areas:

- History/Social Science
- Mathematics
- Reading/Language Arts
- Science

For students in K-8, the instructional materials were purchased from an approved standards-aligned state adoption list. For students in grades 9-12, the instructional materials were adopted by the local governing board following district review of the materials and their alignment with state content standards as required by CCR, Title 5, Section 9531.

The State Board of Education adopted K-8 materials in each of the subject areas noted below. The local governing board of Paradise Unified School District certifies that it has provided each pupil with a standards-aligned textbook or basic instructional materials from the State Board adopted list prior to the start of a school term that is no later than 24 months following the state adoption of these materials as required by Education Code Section 60422 (a).
