## Keep up the fight!

Another round of stimulus checks and other kinds of help are going out for American families and businesses, as we all try to fight through this pandemic and reach a brighter day. Free school meals are a big part of that effort. Whether your free meals are available at school, for curbside pick-up, or by some other means, we urge you, for the good of your family, our schools, and our community, to please take advantage of this stimulus, too!

**School Meals**  
 We serve education every day™
