

Paradise Unified School District Student Network Responsibility Contract

The following form must be read and signed by student and parent or legal guardian.

By signing this Student Network Responsibility Contract, I, the undersigned, and my parent(s) and/or guardian(s) agree to abide by the following restrictions. I have discussed these rights and responsibilities with my parent(s) and/or guardian(s).

Further, my parent(s) and/or guardian(s) and I have been advised that the District does not have control of the information on the Internet, although it attempts to provide prudent and available barriers. Other sites accessible via the Internet may contain material that is illegal, defamatory, inaccurate, or potentially offensive to some people. While the Paradise Unified School District's intent is to make Internet access available to further its educational goals and objectives account holders will have the ability to access other materials as well.

The District believes that the benefits to educators and students from access to the Internet, in the form of information resources and opportunities for collaboration, far exceed any disadvantages of access. But ultimately, the parent(s) and guardian(s) of minors are responsible for setting and conveying the standards that their student should follow. To that end, the District supports and respects each family's right to decide whether or not to apply for Paradise Unified School District Network access.

Questions should be directed to the Director of Technology:
Mary Rose Monney at 872-6470 ext. 258, mrmonney@pusdk12.org
