## Notes:

- 1) BA+30 and BA+ 45 = 1.06 X original FY 2014-15 value in cell.
- 2) After the increase in note #1, step 1 and step 32 in BA+60 were increased with the "hinge" in the middle to straighten the line so there was a 6.0% total cost of increase when compared to the original FY 2014-15 cost.
