

School Accountability Report Card Reported for School Year 2009-10 Published During 2010-11

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2009-10)

This section provides information about the school, its programs and its goals.

Ponderosa Elementary School is a dynamic place of learning, serving families in our community, for students in kindergarten through fifth grades. The talented staff members bring many collective years of experience to bear, and their level of commitment insures that our students receive the best elementary education possible.

The goal of the Ponderosa staff is to assist each student in reaching his/her maximum academic, social, physical and emotional potential. We believe that it is important to educate the whole child. To this end, we are dedicated to helping students master the rigorous California State Standards of Education as well as the equally important life skills (qualities such as citizenship, teamwork, responsibility and respect). We use data to drive our curriculum and instruction, and to identify what each student's needs may be. We also use a Positive Behavior System to encourage students to make positive choices and be productive citizens in our community.

At Ponderosa Elementary we believe that all students can learn. The staff at Ponderosa takes this responsibility seriously and will do everything within our power to help your child reach his/her potential. Through our blended services model, student needs are identified and strategies are developed to meet the specific learning needs of each student. Teachers also meet the needs of our students by working collaboratively. Our teachers are experts in their fields and frequently meet to share ideas and strategies on a regular basis in order to improve student performance.

An important component to our school is our participation in the Building Effective Schools Together (BEST) approach to citizenship. All students learn what it means to be "Safe, Respectful and Responsible" in all areas of the school campus.

We believe that it takes a community to raise a child. As parents you can help by insuring that your child has excellent attendance. We value parent involvement and believe that student success can best be reached when the school is working in conjunction with parents. A goal for the 2009/2010 school year is to encourage parent involvement and assist parents in their efforts to be involved. We look forward to working with you throughout your child's elementary education. With the support of our entire community students are sure to be a success!

Opportunities for Parental Involvement (School Year 2009-10)

This section provides information about opportunities for parents to become involved with school activities.

Parents are an invaluable part of any educational partnership and we welcome and encourage parent involvement on many different levels. Parents may play an active role in school decision-making through their participation in our School Site Council or participate in PEP (Ponderosa Elementary Partnership) to support the educational experience for kids. We also host a number of annual activities to bring families together (children attending with their parents). Many of these are held in the evening so working parents can attend. Examples include: Family Spaghetti Night and Auction, Tri-Tip Drive Thru, Scholastic Book Fair, and Ponderosa Track Meet.

One of the responsibilities of the School Site Council is to implement the School Site Strategic Plan. It conducts an annual review of the plan and develops, recommends and approves or disapproves any modifications or improvements necessary to reflect changing improvement needs and priorities. The Site Council organization develops and makes recommendations about the SLIP budget. Disbursement of general funds is done following a written or oral presentation request. This council will also carry out all other duties and responsibilities assigned to it in the California Education Code. Site Council supports the school in all phases of academic, policy making, and physical needs through decision making.

The Ponderosa Elementary Partnership (PEP) is a parent volunteer organization. All parents, family, members and/or legal guardians of students who attend Ponderosa Elementary School and all current faculty and staff of Ponderosa School are members of the organization. The primary function of PEP is to enhance and support the educational experience of our children, develop a closer connection between school and home by encouraging parent involvement, and to improve the environment at Ponderosa through volunteer and fund raising support. Such efforts may include but are not limited to fund raising, classroom support, social functions, teacher support, and other volunteer efforts.

Student Enrollment by Grade Level (School Year 2009-10)

III. School Climate

School Safety Plan (School Year 2009-10)

This section provides information about the school's comprehensive safety plan.

Our school safety plan exists to insure the health and safety of all students and staff members all year long. The plan is reviewed annually by all staff and presented to our parent council and school board each year for approval.

Students are supervised by an adult staff member before, during and after school. Supervision is provided on the playground one-half hour before school begins and in our loading areas for 20 minutes after school. Adult crossing guards assist each child being picked up or dropped off safely to and from their vehicles.

Students are taught school safety practices and drills are held on a regular basis to emphasize safety in the event of an emergency (fire, earthquake, severe weather conditions or an intruder on campus).

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District		
	2007-08	2008-09	2009-10	2007-08	2008-09	2009-10

Expulsions	0.0	0.0	0.0	1.0	0.9	0.8

IV. School Facilities

School Facility Conditions and Planned Improvements (School Year 2010-11)

This section provides information about the condition of the school's grounds, buildings, and restrooms based on the most recent data available, and a description of any planned or recently completed facility improvements.

Ponderosa Elementary School was designed to maximize safety and facilitate students' learning. The buildings housing the primary classrooms (K-3) are located nearest the office building and multipurpose room. The multipurpose room provides space for indoor dining, performances and other assemblies.

Four of our largest buildings consist of four to six classrooms constructed around an interior media center. The media centers are locations where teachers and support staff provide differentiated instruction for students with specific learning needs. This is done through the use of study carrels, targeted small group instruction or the use of technology.

The maintenance and cleanliness of our school is maintained by a team of two dedicated custodians.

School Facility Good Repair Status (School Year 2010-11)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

System Inspected	Repair Status				Repair Needed and Action Taken or Planned
	Exemplary	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	[]	[X]	[]	[]	<ul style="list-style-type: none"> No gas leaks were detected at the time of inspection. 85% of all systems are on automated controls. V. Teachers

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.

Teachers	School			District

Core Academic Classes Taught by No Child Left Behind Compliant Teachers (School Year 2009-10)

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers in the school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High poverty schools are defined as those schools with student participation of approximately 75 percent or more in the free and reduced price meals program. Low poverty schools are those with student participation of approximately 25 percent or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE Improving Teacher and Principal Quality Web page at <http://www.cde.ca.gov/nclb/sr/tq/>.

Location of Classes	Percent of Classes In Core Academic Subjects Taught by

VI. Support Staff

Academic Counselors and Other Support Staff (School Year 2009-10)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor		
Counselor (Social/Behavioral or Career Development)		---
Library Media Teacher (Librarian)		---
Library Media Services Staff (paraprofessional)		---

VII. Curriculum and Instructional Materials

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2010-11)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school; whether the textbooks and instructional materials are from the most recent adoption (yes/no); and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

The district sets a high priority on providing current and sufficient textbooks and instructional materials for students. In this regard, our primary goal is to provide instruction and materials that are aligned to the California Content Standards. The district textbook review and approval process considers instructional materials that have been approved by the State Board of Education (SBE) for textbook adoption. Students have access to a wide variety of instructional materials including texts, workbooks, math and science equipment, reference resources, library and audiovisual materials. The school library and other technology resources provide students and staff with additional tools for learning and accessing information.

Annually the district surveys availability and adequacy of textbooks and science laboratory materials. Sufficient standards-aligned core textbooks are provided for each student on a one-to-one basis. Adequate materials support English language learners. District-adopted materials are consistent with state requirements. In addition various supplemental programs are utilized in classrooms and a number of intervention programs are used for academic support for struggling learners.

Core Curriculum Area	Quality, Currency, and Availability of Textbooks and Instructional Materials	Percent of Pupils Who Lack Their Own Assigned Textbooks and Instructional Materials	Most Recent SBE or Local Governing Agency Approved Textbooks and Instructional Materials

VIII. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2008-09)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found on the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/> and teacher salaries can be found on the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental)	Expenditures Per Pupil (Basic)	Average Teacher Salary
School Site	\$7,295	\$2,737	\$4,558	\$63,087
District	---	---	\$5,071	\$57,999
Percent Difference: School Site and District	---	---	-1	18
State	---	---	\$5,681	\$61,706
Percent Difference: School Site and State	---	---	1	4

Types of Services Funded (Fiscal Year 2009-10)

This section provides information about the programs and supplemental services that are provided at the school through either categorical funds or other sources.

The school provides curriculum-based instruction in all core subjects. It also offers special education services. Additional support is provided for English language learners and for those students struggling with core subjects. Categorical funding supports additional aide time in the classroom and supports educational technology.

Teacher and Administrative Salaries (Fiscal Year 2008-09)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size based on the salary schedule. Detailed information regarding salaries may be found on the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$34,340	\$38,970
Mid-Range Teacher Salary	\$50,504	\$59,776
Highest Teacher Salary	\$75,335	\$78,072
Average Principal Salary (Elementary)	\$71,356	\$94,605
Average Principal Salary (Middle)	\$76,118	\$98,480
Average Principal Salary (High)	\$78,435	\$106,266
Superintendent Salary	\$155,500	\$144,721
Percent of Budget for Teacher Salaries	37.3	38.8
Percent of Budget for Administrative Salaries	4.7	6.0

IX. Student Performance

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and ten through eleven. The CAPA includes ELA, mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA includes ELA for grades three through eight and science in grades five and eight and is an alternate assessment that is based on modified achievement standards. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations. Student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at <http://star.cde.ca.gov>. Program information regarding the STAR Program can be found in the Explaining 2009 STAR Program Summary Results to the Public guide at <http://www.cde.ca.gov/ta/tg/sr/documents/pkt5intrpts09.pdf>.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Standardized Testing and Reporting Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

California Physical Fitness Test Results (School Year 2009-10)

The California Physical Fitness Test is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found on the CDE Physical Fitness Testing Web page at <http://www.cde.ca.gov/ta/tg/pf/>. *Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	25.6	15.9	2.4

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the CDE Academic Performance Index (API) Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

Academic Performance Index Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2007	2008	2009
Statewide	5	5	5
Similar Schools	1	2	2

Academic Performance Index Growth by Student Group – Three-Year Comparison

This table displays, by student group, the actual API changes in points added or lost for the past three years, and the most recent API score. *Note: "N/A" means that the student group is not numerically significant.*

Group	Actual API Change		
	2007-08	2008-09	2009-10

Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Adequate Yearly Progress (AYP) Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Adequate Yearly Progress Overall and by Criteria (School Year 2009-10)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	No	No
Participation Rate: English-Language Arts	Yes	Yes
Participation Rate: Mathematics	Yes	Yes
Percent Proficient: English-Language Arts	Yes	No
Percent Proficient: Mathematics	No	No
API	Yes	Yes
Graduation Rate	N/A	No

Federal Intervention Program (School Year 2010-11)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Adequate Yearly Progress (AYP) Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

XI. Instructional Planning and Scheduling

Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Professional development opportunities were available through Paradise Unified School District, Butte County Office of Education and other providers. Content consisted of a variety of subject matter including English language arts, math, effective teaching strategies, addressing the needs of students with special needs, increasing student achievement, enriching the school environment and character education.
