School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

Cedarwood Elementary is nestled among the cedar and pine trees in the beautiful mountain town of Magalia, California. Our school staff provides a positive, engaging, and rigorous environment where students feel safe and are motivated to learn. We are committed to a quality education for all students through meaningful learning emphasizing creativity, communication, collaboration, and critical thinking. We hold high expectations for student achievement, student behavior, and ourselves as professionals. At Cedarwood Elementary School, we believe every child is capable of learning, and we provide various opportunities for all students to reach their potential. Our teachers use multiple assessment information, including achievement data, to continually evaluate student progress and adapt their classroom practices to meet student needs.

We provide academic interventions for students requiring additional support through a Response to Intervention model provided by highly qualified teachers and paraprofessional staff members. This blended model allows special education, Title I, and regular education teachers to collaborate and provide the best program possible for our students. It also allows us to challenge students who are performing above standard. As a result of these efforts, we received the prestigious award of a California Distinguished School in 2006 and the California Title I Academic Achievement Award for the 2003/2004, 2004/2005 and 2005/2006 school years.

Our curriculum is focused on the California Common Core State Standards, including English Language Arts/Literacy, Writing, Speaking & Listening, Language and mathematics. Our mathematics curriculum includes the progression of mathematical practices exemplifying the three principles of focus, coherence, and rigor. Bridges Math curriculum was introduced and implemented during the 2016-2017 school year. We encourage strong parent and community partnerships and invite our parents, grandparents, guardians and community members to participate in the classroom. We believe a skilled and dedicated staff, motivated students, and supportive parents are powerful components for student success!

We believe: Every student matters. Every moment counts.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: September 2017

The district sets a high priority on providing current and sufficient textbooks and instructional materials for students. In this regard, our primary goal is to provide instruction and materials that are aligned to the California State Common Core Standards. The district textbook review and approval process considers instructional materials that have been approved by the State Board of Education (SBE) for textbook adoption. Students have access to a wide variety of instructional materials including texts, workbooks, math and science equipment, reference resources, library and audiovisual materials. The school library and other technology resources provide students and staff with additional tools for learning and accessing information.

Annually the district surveys availability and adequacy of textbooks and science laboratory materials. Sufficient standards-aligned core textbooks are provided for each student on a one-to-one basis. Adequate materials support English language learners. District-adopted materials are consistent with state requirements. In addition various supplemental programs are utilized in classrooms and a number of intervention programs are used for academic support for struggling learners.

School Facility Conditions and Planned Improvements (Most Recent Year)

Cedarwood Elementary is located on one of the most beautiful school sites in Northern California. Clusters of classrooms, connected by outdoor patios, are nestled beneath many cedar and pine trees. The school opened in 1997. The multipurpose room was completed in July 2001. The library media center, which opened in August 2002, includes a computer lab and a community room. Our Cedarwood Children’s Center preschool program began in the fall of 2002.

Our custodial staff takes pride in maintaining a clean school environment. Major school projects are completed during the summer months and other school holidays as needed. Students, staff, parents, and community members help maintain the beautiful appearance of the school. The Cedarwood campus provides a park like setting frequented by many students and neighbors when school is not in session.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students
Grades Three through Eight and Grade Eleven**

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	31.0	48.0	41.0	44.0	48.0	50.0
Mathematics (grades 3-8 and 11)	25.0	40.0	30.0	34.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**CAASPP Test Results in ELA by Student Group

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events. Our School Site Council meets the second Tuesday of every month. In addition to the elected officers, all interested parents are invited and encouraged to attend the meetings. Parents and teachers work together on this council to set school goals, make decisions about budget expenditures, and plan school activities.

We also have a very active parent/teacher organization (PTO) that sponsors many school events and fund raising activities during the year. The PTO meetings are generally held on the second Thursday of each month. and once again, everyone is invited to attend. Parents, grandparents, and community members are always welcome to visit or volunteer in our classrooms; however, we ask that all guests on campus check into the front office and wear a visitor's badge. Our parents are also members of, and provide input on, various district advisory boards.

Parents stay informed on upcoming events and school activities through School Messenger (automated telephone message delivery system), Peachjar (electronic flyers) teacher communication, classroom newsletters, email, telephone calls, personal conferences, the school updated website, Remind, and a monthly e-copy parent newsletter called The Bear Paw.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2018-19)

PUSD is committed to providing an environment that fosters physical and emotional health and safety. Cedarwood Elementary School has a Comprehensive School Safety Plan located in the office. The plan is updated each year and shared/reviewed with staff and the School Site Council. The disaster preparedness plan clearly designates warning signals and emergency actions for all emergencies (i.e., fire, earthquake, dangerous situations on campus, etc.) Staff and students practice emergency drills regularly throughout the school year - monthly for fire evacuation drills, and once each trimester for Lockdown/Shelter in Place and Earthquake drills.

Classroom discipline and effective classroom management are primary focus areas for Cedarwood staff. We believe that learning is optimized in an atmosphere where students are well behaved, attentive, and responsible for their actions. We accomplish this goal by teaching weekly lessons targeting positive expectations using a different virtue of the week. The last Friday of the month, the school congregates for a short assembly to acknowledge students, discuss school wide rules, and to build community. There is a Student Council with student officers and classroom representatives to who communicate school issues and successes and build student voice for maintaining and promoting a positive climate. A clearly defined student behavior policy and a parent compact are sent home the first week of school. We hold high expectations for students' behavior at Cedarwood and we role model, practice and discuss the four universal expectations (safety, respect, responsibility and kindness) on a regular basis. Positive Behavioral Interventions and Supports (PBIS) are in place to help students be more successful.
