PRIVATE VEHICLE REQUIREMENTS

The Paradise Unified School District (PUSD) acknowledges the need for responsible private drivers to provide transportation services for numerous school activities that otherwise would not exist without private support.

To ensure that private transportation services will be provided in a safe, efficient and cost effective manner, the following requirements will be met:

1. The driver will be 21 years of age or over and possess a valid California Driver's License.
2. The driver will be in good physical condition, free of any medications that may affect operation of the vehicle.
3. The vehicle will be in excellent condition and repair.
4. The vehicle will have a seat belt for each student being transported and the driver shall require all passengers to use the seat belt.
5. The vehicle will carry only the number of passengers for which it is designed. In no case will more than nine students and a driver be transported in a private vehicle.
6. The driver accepts the added responsibility that comes from carrying extra individuals and, therefore, will be conscientious in obeying all driving rules and regulations set forth by the State of California. The California Supreme Court has eliminated the protection of the former California Guest Law; therefore, a guest passenger may sue his host owner/driver.
7. The driver shall have an automobile liability insurance policy and is also responsible for all physical damage to his/her vehicle. PUSD's liability insurance does not extend protection to the private driver unless the driver has been deemed a volunteer/employee by the district. If deemed such, PUSD's liability insurance serves only as excess insurance over the driver's primary insurance. Minimum limits of coverage required of the driver are:

Bodily Injury Liability of not less than \$100,000 each person with \$300,000 each occurrence. Property Damage Liability of not less than \$50,000 each occurrence.

OR

Combined single limit for Property Damage and Bodily Injury of \$300,000 for each occurrence.

8. No person shall smoke a pipe, cigar or cigarette or E-cigarette in a motor vehicle at any time while connected or associated with a PUSD field trip. Health and Safety Code 118947; California Vehicle Code 12814.6
