

PARADISE UNIFIED SCHOOL DISTRICT
Parent/Guardian Permission for Publication of
Student Work, Audio Files, Video Files and Photographs

Name of Student _____ Date _____

School _____ Teacher _____

As part of the educational experience, Paradise Unified School District sometimes uses print, video and/or digital media to highlight student projects, student work and achievements in a variety of ways. This may include the use of photographs, video and audio files of students. For example, student images may be published or displayed in printed materials (such as brochures, posters and newsletters), or on video and audio files that may be posted to school and District websites, or to the Internet by other hosting means. Information about school events and activities may also be provided to external organizations and media outlets and may include student images. Parents/Guardians have the option of granting or denying permission for participation.

These guidelines will be followed:

- No personal information about the student, such as last name, home address or telephone number, will be published.
- This permission includes the right to edit, use and reuse materials for non-profit purposes including use in print, on the Internet, and all other forms of media.
- This permission may include participation in interviews, the use of quotes and the taking of photographs, video and or audio files.
- Use of any of the above mentioned products would be without compensation to the student, or student's parents or guardians.
- Permission is granted for the duration of the media.
- Permission to publish may be rescinded; however, in order for the revocation of permission to be effective, it must be made in writing and said revocation will not affect materials published prior to the revocation.

Please check (✓) as appropriate:

I grant permission for my student's school work, audio files, video files and photographs to be published or displayed in print, or by digital means on the Internet as described above.

I deny permission for my student's school work, audio files, video files and photographs to be published or displayed in print, or by digital means on the Internet as described above.
