LCAP November Parent Meeting

Indicators of Success 2016

New State Evaluation Rubric

The new accountability system:

- Provides multiple ongoing measures of school performance
- Gives parents, educators, and the community more tools to understand what is happening at their schools
- Promotes equity by helping to identify disparities among student groups
- More effectively identifies the schools that need extra help and where they need it
- Replaces API which was based solely on standardized test scores

Priorities of Rubric

- Student Achievement
- Student Engagement
- School Climate
- Parent Engagement

Nine Indicators of School Success

1. Performance standards
2. Readiness for college and careers
3. Graduation rates
4. Progress of English learners
5. Suspension rates
6. Chronic absenteeism
7. Parent engagement
8. School climate
9. Basic conditions at school

Three Guiding Principles of LCAP

Step One: Using the eight goal areas in the LCAP guidelines, districts need to identify their main goals. **Is there clear and compelling evidence (achievement data, attendance data, stakeholder survey) that the district has specific reasons for establishing the goals?**

Step Two: Describe your plan and how you will show progress. What actions are we taking and why we chose these?

Step Three: Agree on transparency and monitoring. Districts need time to implement sustainable, scalable change and there are very few short cuts.

Budget Challenges Affecting 2017-2018 Actions and Services

1. Possible New Charter High School
\$875,000 (Based on 100 students) X 4 years = **\$3.5 Million**
2. 1% Declining enrollment each year = **\$300,000/year**
3. Increase STRS/PERS **\$375,000/year**
4. Minimum wage increase
5. CTEIG matching funds **\$266,925** each year
