

The professional staff of the Food Services Department is available to help you plan class parties that are easy and economical. All services include paper goods, condiments, and delivery. **Students cannot pay for this event.**

Food served during lunch parties will qualify as a Reimbursable Lunch. Therefore, your students are receiving a well-balanced meal for \$1.00 and you will be offering a celebration that meets both Federal and State guidelines. All charges must be paid by teacher/program; not students.

BUTTE COUNTY STATISTICS

- 44% of 5-8th grade students are at risk for or are overweight (> 85th percentile BMI for age) *significantly higher than the national rate of 30%
- 25% either have or are at risk for high blood pressure
- Soda is a risk factor for both overweight and elevated blood pressure.
- As soda intake increases, fruit and vegetable consumption decreases.
- Hypertension (high blood pressure) rates are significantly higher among overweight children.

Let us plan and prepare your party to improve the health and well being of our students.
