Addressing Truancy

When a student has been identified as a truant as defined above, the following steps shall be implemented based on the number of truancies he/she has committed:

1. Initial truancy
   a. The student shall be reported to the site administrator. (Education Code 48260)
   b. The student's parent/guardian shall be notified by the most cost-effective method possible, which may include email or a telephone call, that: (Education Code 48260.5)
      (1) The student is truant.
      (2) The parent/guardian is obligated to compel the student to attend school. If the parent/guardian fails to meet this obligation, he/she may be guilty of an infraction of the law and subject to prosecution pursuant to Education Code 48290-48296.
      (3) Alternative educational programs are available in the district.
      (4) The parent/guardian has the right to meet with appropriate school personnel to discuss solutions to the student's truancy.
      (5) The student may be subject to suspension, restriction, or delay of his/her driving privilege pursuant to Vehicle Code 13202.7.
      (6) It is recommended that the parent/guardian accompany the student to school and attend classes with the student for one day.
   (cf. 5145.6 - Parental Notifications)
   c. The student may be required to attend makeup classes on one day of a weekend pursuant to Education Code 37223. (Education Code 48264.5)
   d. The student and, as appropriate, his/her parent/guardian may be requested to attend a meeting with a school counselor or other school designee to discuss the root causes of the attendance issue and develop a joint plan to improve the student's attendance. (Education Code 48264.5)
e. The site administrator may notify the district attorney and/or probation officer of the student's name and the 
name and address of his/her parents/guardians. (Education Code 48260.6)

2. Second truancy

a. Any student who has once been reported as a truant shall again be reported to the site administrator as a truant 
if he/she is absent from school without a valid excuse one or more days or is tardy on one or more days during 
the school year. (Education Code 48261)

b. The student may be required to attend makeup classes on one day of a weekend pursuant to Education Code  
37223. (Education Code 48264.5)

c. An appropriate district staff member shall make a conscientious effort to hold at least one conference with the 
student and his/her parent/guardian by communicating with the parent/guardian at least once using the most 
cost-effective method possible, which may include email or a telephone call. (Education Code 48262)

d. The student may be given a written warning by a peace officer. A record of that warning may be kept at the 
school for not less than two years or until the student graduates or transfers from the school. If the student 
transfers, the record may be forwarded to the new school. (Education Code 48264.5)

e. The attendance supervisor may notify the district attorney and/or probation officer when the student continues 
to be classified as a truant after the parents/guardians have been notified in accordance with item #1b above. 
(Education Code 48260.6)

3. Third truancy (habitual truancy)

a. A student who is habitually truant, irregular in school attendance, or habitually insubordinate or disorderly 
during attendance at school may be referred to, and required to attend, a school attendance review board (SARB) 
program, a truancy mediation program established by the district attorney or the probation officer, or a 
comparable program deemed acceptable by the district's attendance supervisor. (Education Code 48263, 
48264.5)

b. Upon making a referral to the SARB or the probation department, the site administrator shall provide the 
student and parent/guardian, in writing, the name and address of the SARB or probation department and the 
reason for the referral. This notice shall indicate that the student and parent/guardian shall be required, along 
with the district staff person making the referral, to meet with the SARB or a probation officer to consider a 
proper disposition of the referral. (Education Code 48263)

c. If the student does not successfully complete the truancy mediation program or other similar program, he/she 
shall be subject to item #4 below. (Education Code 48264.5)

d. If the site administrator determines that available community services cannot resolve the problem of the truant 
or insubordinate student or if the student and/or his/her parents/guardians have failed to respond to the directives 
of the district or to services provided, the attendance supervisor may so notify the district attorney and/or the 
probation officer. (Education Code 48263)

4. Fourth truancy

a. Upon his/her fourth truancy within the same school year, the student may be referred to the jurisdiction of the 
juvenile court. (Education Code 48264.5; Welfare and Institutions Code 601)

b. If a student has been adjudged by the county juvenile court to be a habitual truant, the site administrator shall 
notify the juvenile court and the student's probation or parole officer whenever the student is truant or tardy on 
one or more days without a valid excuse in the same or succeeding school year, or is habitually insubordinate or 
disorderly at school. The juvenile court and probation or parole officer shall be notified within 10 days of the 
violation. (Education Code 48267)
5. Absence for 10 percent of school days (chronic absenteeism Education Code 60901(c) (1))

a. To be implemented at a date designated by the superintendent or designee, but not prior to the district's 20th day of instruction.

b. When a student has accrued verified excused absences due to illness, equal to or surpassing 10 percent of the school days which the student was enrolled, from the date of enrollment to the current date, subsequent absences must be verified by a physician, health professional, school nurse, or other designated school personnel.

c. Absences must be cleared daily, unless other arrangements are made with the school principal or designee. Failure to provide verification from a physician, health professional, school nurse, or other designated school personnel will result in said absences being recorded as unexcused.

d. When a student has absences equal to or surpassing the 10 percent limit as described above, for excusable reasons other than illness, the student and parent may be referred to a student study team or a School Attendance Review board for a case review.

e. Placing a student under the requirement of the 10 percent policy or removing a student from said requirements and procedures prior to the end of the academic year, shall be left to the discretion of the school site principal.

The Superintendent or designee shall maintain accurate attendance records for students identified as habitual or chronic truants. The Superintendent or designee also shall document all contacts with a student and his/her parent/guardian regarding the student's attendance, including a summary of all conversations and a record of all intervention efforts.

(cf. 5125 - Student Records)
